INTRODUCTION

ABSOLUT is truly a magnificent tribute to what is rapidly becoming the lost art of fine yacht building. From her blind splined teak cockpit coamings, flawlessly varnished, to her hand-rubbed teak and ash woodwork, Awlgrippped bilges and meticulous mechanical and electrical installations, she is truly a work of art. Her lines are smooth and flowing and her rig efficient and easily handled.

ABSOLUT is definitely not a yacht for everyone, but for those that appreciate such enduring quality, a personal inspection will prove that the finished product verifies the ability, time and effort that went into her design and construction.

ACCOMMODATIONS

The accommodations include two double bedded cabins (refer to attached layout) one forward and one aft to starboard, plus a single berth to port under the cockpit. The starboard dinette can be converted to a double. A spacious head and shower with teak counter top, brass sink and fixtures with porcelain knobs and electric toilet, adjoins the two double cabins.

Just aft of the forward cabin is the navigation station with upholstered seating, navigation table with chart storage and full eye level instrument display.

The convertible dinette is opposite. Interior points of interest are:

- Toe kicks under all furniture with recessed lighting.
- Polished brass lighting fixtures and trim
- Foam cored doors
- Awlgrippped overhead with teak beams
- Teak and ash laminated deck
- Built-in dustpan (removable) in salon
- 6'4" headroom, galley: 7' headroom, salon
- Built-in stereo speakers
- Etched glass locker doors with backlighting
- All 100V receptacles teak faced
- Storage everywhere

GALLEY

The galley is located midships to starboard with excellent counter space and overhead cabinets. Equipment includes a double stainless steel sink with hot and cold pressure fresh water, pressure salt water, hand-held sprayer and filter drinking water outlet. There is also custom made stainless steel Dickinson four burner propane stove with oven and a stainless steel liner around the installation, a microwave oven and custom holding plate refrigeration with stainless steel holding plates. Customized dish drawers for the yacht's own personal set of stoneware, which is also included, finish out what is a very complete galley.

CONSTRUCTION AND DECK

Hand-laid fiberglass hull with epoxy cold molded cabin, deck and cockpit. The interior and the exterior of the hull plus all deck, cabin and cockpit are Awlgriped. Exterior varnished teak trim and an interior of teak and ash veneers, with solid teak and holly sole, etched glass locker doors, cedar hanging lockers and polished brass hardware.
